

A high-angle photograph of an outdoor patio area. The patio is paved with large, rectangular, light-colored stone tiles in various shades of beige and tan. In the center of the patio, there is a wooden coffee table and two wooden armchairs, all made of a dark-stained wood. The furniture has a slatted design for the seats and backs. The patio is bordered by a lush green lawn. In the bottom left corner, there is a small green plant. The overall scene is bright and sunny, suggesting a pleasant outdoor environment.

Architecture

Celebrated for its soft buff tones, delicate texture, and reliable performance in architectural and landscape applications, Golden Glow exhibits a pale greenish buff hue when dry and a deeper golden tone when wet. It delivers a natural warmth that pairs beautifully with both contemporary and traditional designs.

- ✓ Outstanding strength and weather resistance
- ✓ Excellent abrasion resistance
- ✓ Very low water absorption suits it well for paving, cladding, and exterior architecture

Physical Properties	
Apparent Density (kg/m <sup>3</sup> )	2,550
Water Absorption (%)	1.2 – 1.4

Mechanical Strength	
Compressive Strength (MPa)	160 – 200
Flexural Strength (MPa)	30 – 36

Dimensions, thicknesses, and configurations of slabs can be customised in accordance with specific project or client requirements. Technical data sheets, quality certifications, and laboratory test reports can be furnished upon request or as required by the project specifications. Images are digitally created for representational purposes to convey tone and character; natural stone may vary in colour and pattern.

All product descriptions, images, and specifications are provided for general information and illustrative purposes only. Natural stone is a product of nature; variations in colour, texture, and veining are inherent and should be expected. While every effort is made to ensure accuracy, the actual material may differ slightly from samples or photographs. Performance characteristics, such as durability and slip resistance, may vary depending on installation, finish, and maintenance. The company reserves the right to change product information without prior notice.
